Emirates Flight 407 was an Emirates flight flying from Melbourne to Dubai using the Airbus A340-500. On 20 March 2009, the flight failed to take off properly at Melbourne Airport, hitting several structures at the end of the runway before eventually climbing enough to return to the airport for a safe landing.

Very few people go to interviews relaxed, confident and knowing what to say, do and expect. An airline assessment day for cabin crew puts even more pressure because it is a full-day event – sometimes it will spread over two days, and after every stage of the interview the people who did not make it are being sent home.
